

SEEKING APPLICANTS!

The Village of Eagle is currently accepting applications to fill openings on the Eagle Parks & Recreation Commission.

Commission members will seek community input on ways to improve existing facilities, as well as identify the community's desire to add new amenities or programs. The commission will also work with the Village Board of Trustees to develop a list of capital improvement projects for budget purposes and seek out grants to assist with funding park projects.

To be eligible to serve on the commission, you must be a resident of the Village of Eagle and have an interest in park facilities and recreational activities.

Interested individuals can pick up an application at the Village Office, 727 S 1st Street, or by calling 402-781-2748.

Please return applications to the village office or email to travis@eaglene.gov. Appointments will be made at a future Board of Trustees meeting.
